

# Hello World!

"Are you not entertained?" – Not on fresher's night, no.

Did you know the basketball court is colorful enough to be seen from the moon?

Remember that scene from Ratatouille where the rats cook everything? Yes.

You won't get treatment, but hear us out: you might not get medical leave either.

Not sure if it'll ever be full during Felicity.

We're not sure what the 'old' stands for, the never graduating seniors or the building in ruins.

What can I say except you're welcome.

The SSAD photo booth.

Training us for the competitions where you play football in the dark.

The peak of boredom.

Don't worry about the snakes and scorpions, your grades will scare you before these do.

Vindhya :  
The maze of IIIT.

The Golden Gate Bridge took less time to construct.

One building, three names

Bet you didn't know this ditch was a lake.

Won't recommend going here at night.

Places we recommend you to explore on your own, maybe even get lost.

PING!
